### ***A Message from the Captain***

Who is ready for a wonderful boating season? After another LONG winter, the RTM Crew looks forward to welcoming all of our Old Friends and New Members (28 new families and counting) back to the marina for the 2019 season. We have a number of fun activities and improvements planned again this year, some I will be able to mention here and now. Others (that we are still working on) will be announced in the May Newsletter, you will have to stand-by and stay in touch to learn about.

April is a storage transitional month. In Mid-April we will begin launching the Large Center Aisle Boats from the inside warehouses (Weather and River Conditions permitting). We will need to have all boats moved by April 30 to begin the summer season. Please call the office to stay in touch with the launch schedule, and we will do our best to accommodate your schedule. please call Modern Marine/Antique Boat Co. if you need assistance summerizing your boat and getting your batteries charged.

### **Jenny Wade Concession Stand:**

The Jenny Wade will be open Friday, Saturday and Sunday starting in May as we begin the season. Regular hours will start Memorial Day Weekend. As always, the JW Crew look forward to serving you before and after your boating excursions. Remember to purchase your Ice and Refreshments at the Jennie Wade

.....packaged Beer at State Minimum Prices again this year. Why buy anywhere else? Let Debbie and Pam know if you have a special beverage request, and they will be happy to add it to our inventory.

### **Swimming Pool:**

The Members Swimming Pool Will Open in May, with our Derby Party planned for May

4th

A couple of Pool Reminders:

1. The pool is for members and their guests only (maximum 2 guests per day).
2. Members must be present if their guests are at the pool.
3. RTM Members are courteous, classy and considerate of others.
4. NO LIFE GUARD ON DUTY, SWIM AT YOUR OWN RISK, NEVER SWIM ALONE!!
5. NO DIVING!!!
6. Pool hours are from 9:00 AM until 9:00 PM.
7. No pets allowed in pool area.
8. No glass bottles allowed.

As we know the Pool is a great amenity for all of us. Please be responsible and respectful of the other members. If for any reason we find complaints or violations of these common sense reminders, members may have their pool access revoked.

If you have not done so, please call the office to provide Donna with a 4-digit access code for the pool bathrooms and showers.

Although our long-term plan is to find a tenant for the restaurant area, at this time I have been unsuccessful in accomplishing that. In the mean-time, perhaps we will make the restaurant area available for member party's and a sort of Club-House for RTM members.

### The Cove Food Truck Park:

The Greater Cincinnati Food Truck Association has asked to occupy the front parking lot, where Captains Cove Sales Lot was last year. Their plan is to provide a fun, casual Food Truck Park, Open from 11:00 to 11:00 Tuesday through Sunday this summer. They expect to have 3-8 different food trucks there every day/night featuring a diverse menu of Pizza, BBQ, Fresh Salads, Desserts and Ice Cream. Come see "Cars and Coffee" on weekend mornings and special promotions before Riverbend Concerts. It is anticipated that The Cove will have Local Craft Beers, Picnic Tables, ADA compliant restrooms and a large covered dining area.

Register [HERE](#) to attend VIP party.

In addition to Local Food Trucks, they plan to schedule, Farmers Markets, Local Artisans, and guest entertainers.

We hope you welcome the Cove and the Pool this spring.....these are two new ways Rivertowne has become the Premiere Marina in Cincinnati.....we could not do it without all of our wonderful members.
