RTM management continues to work hard to provide the best Marina in Cincinnati without increasing our slip/storage fees. Of course, we could not accomplish this without the loyalty of our friendly members.

All Inside Dry Rack, Open Valet, Car Ports and all Open Slips the price will remain the same as last year. Inside floor storage, covered in-water slips and trailer storage will see a modest adjustment. We believe we are the best value in town, especially since we do not charge additional for electric, water and pump-out.

### How you can help?

- Please do not run appliances and Air Conditioners when not on your boat.
- Please conserve water at the slip and wash rack.....do not leave the water running needlessly while washing your boat.
- Review our trailer storage program....All member boat trailers must be maintained by owner in road worthy condition. We hope to reduce the number of boat trailer stored in our trailer lot, since our space is getting really tight. Many of our members trailers are in excellent condition, however some members have not used their trailers in many years, resulting in: dry-rotted tires, rotten bunks, rotted winch straps, etc. We will be reaching out to some of our members whose trailers need

significant maintenance, or perhaps can be disposed of.

## Winter Season

Winter Season.....At Rivertowne, we've got you covered. looks like the Crew filled all warehouses again this year for winter storage. (Even after we added 2 more warehouses.) Thank you for your confidence in us....we really appreciate it.

## New Member Amenities

### *24-hour year-round facilities*

We are happy to announce that we now have 24-hour, year-round bathrooms, showers and laundry facilities for member use near the pool and offices.

To access these facilities, please call Donna at the office to provide her a 4-digit code for the digital door lock. We decided to ask you for your private 4-digit code rather than assigning you a random number, we feel this will be easier for you to remember. Once you provide the code to us, we will program the system, assigning that number to you. One code per family. Please do NOT share your code with others.

## **Winter in Cincinnati**

### **A day in Cincinnati | All things Christmas**

We know, it's sad knowing the boats are hibernating... but with so much to do in Cincinnati, there isn't any time this Christmas to be a Grinch. It can be tempting - especially in the bitter weather - to stay inside and binge on Netflix Christmas movies while eating sugar cookies. At some point, though, cabin fever

paired with sugar rush takes over, and it's time to gather loved ones to find new Christmas traditions and burn off those holiday calories.
