GOOD NEWS!!

RTM is building additional inside trailer bunks for storing member's trailers inside. Starting this summer season we will store Dry Rack Boat trailers inside, on the D-Level of our warehouse. This inside storage is at the same price as the outside storage, \$250 per season. Please keep a number of things in mind:

1. We cannot offer valet service for the trailers stored inside. You can request access to the trailer one time per season. **PLEASE GIVE US ONE-DAY NOTICE TO RETRIEVE YOUR TRAILER FROM STORAGE.**
2. All trailers must be maintained by the owner in operating and road-worthy condition. Special attention should be given to the trailer's tires, winch straps and bunk boards.
3. We have limited inside space availability, once inside trailer space is full, other trailers will be stored outside in our boat-trailer lot.
4. All trailers should have the member's name stenciled on it before storage.
5. If you would prefer more regular access to your boat trailer (weekend trip to the lake, etc) please ask to keep the trailer outside in our trailer lot for the summer season.

Thank you for your support

Chris Tucker Retiring to Florida

Most of our members know Chris, who has serviced many of our members boats for years, if not generations. Chris is a true

professional, and was born into the boating business... His grandpa, Jessie Tucker designed and built Tucker Houseboats, and various excursion boats and barges starting in the 1950's. Chris' dad, Gordon Tucker carried the Tucker Houseboat torch before passing it to Chris.

On a

personal note, one of my favorite memories with Chris was when he and I were driving through Key West, Florida a few years ago. We saw that beautifully distinctive Tucker Houseboat profile in the marina in Key West!!! What a great surprise it was for both of us to see the Tucker Houseboat in Key West. I am sure the Tucker name has traveled the waterways around the world!!

But no need to worry, Chris' right hand man Allen will be staying here at RTM with Modern Marine Supply to handle all of your maintenance needs.

New Member Amenities

24-hour year-round facilities

We are happy to announce that we now have 24-hour, year-round bathrooms, showers and laundry facilities for member use near the pool and offices.

To access these facilities, please call Donna at the office to provide her a 4-digit code for the digital door lock. We decided to ask you for your private 4-digit code rather than assigning you a random number, we feel this will be easier for you to remember. Once you provide the code to us, we will program the system, assigning that number to you. One code per family. Please do NOT share your code with others.
